FB 4225 42" x 25' (1.07 m x 7.6 m) flat pack 24 per case 0 57180 00457 1

EASY TO INSTALL INSTRUCTIONS

1. Prepare soil in the usual manner.
2. Immediately after sowing or planting lay frost blanket loosely over bed (do not stretch).
3. Tuck frost blanket into ground with spade or pile soil down each side of cover to anchor.
4. It may be necessary to remove and relay frost blanket at a later stage in growth.
